

Lesson Topic: _____

Directions:

1. First brainstorm 2-3 goals for your lesson.
2. When you have completed your goals, brainstorm 2-3 specific, and measurable outcomes for your lesson.

Lesson Goals <i>What do you want the students to learn? What do they really need to know, and what will have value once the lesson is over?</i>	 Lesson Outcomes <i>What would the students have to do or accomplish to convince me that they had achieved the learning goals?</i>

[illegible]
